V. P.E.P. (PTA Excellence Program)

The Council's PTA Excellence Program was created to assist units in achieving and maintaining the Michigan PTA Standards of Affiliation. PEP provides PTA/PTSA units with a way to fulfill unit requirements by providing a point system for completing required tasks. PEP helps units stay in good standing and encourages unit growth and participation. Units with the highest amount of PEP points may receive a prize from Council at the end of the school year if Council funds permit. During the annual Audit, Council liaisons will be chosen by each unit in order of their PEP points from highest to lowest.

VI. Contact School Units

Each Executive Board Member is expected to maintain a liaison contact with at least one local PTA/PTSA unit during the year; units will be given a choice

of liaison assignment in accordance with PEP guidelines. Contact will include reminders of Council meetings, special events, friendly interest in the progress of the local unit's activities, and assistance in answering questions or request for help and information.

Each Executive Board member shall be a member of their assigned local unit.
